

# Cris Cross

Make 32, 4 patches from 2 1/2" strips.

This block should measure 4 1/2"

Cut 88, 4 1/2" squares

Tip: Consider using opposite colors for the cross and 4 1/2" squares.

*This pattern was designed by Kelli Westmark for Teacher Cris. I named the pattern after Cris and think it's a cute play on words as it's similar to Christ who bore the cross for us. I used all different florals for the quilt I made for Cris. I pray many Cris Cross quilts would be made for others in need of the reminder that Christ loves each person. The cross is a free gift, as is this quilt pattern. Enjoy!*
